

Setting up Application Environment

Create IBM Cloud Account

Step 1. Navigate to ibm.com/academic and register with your smartinternz mail

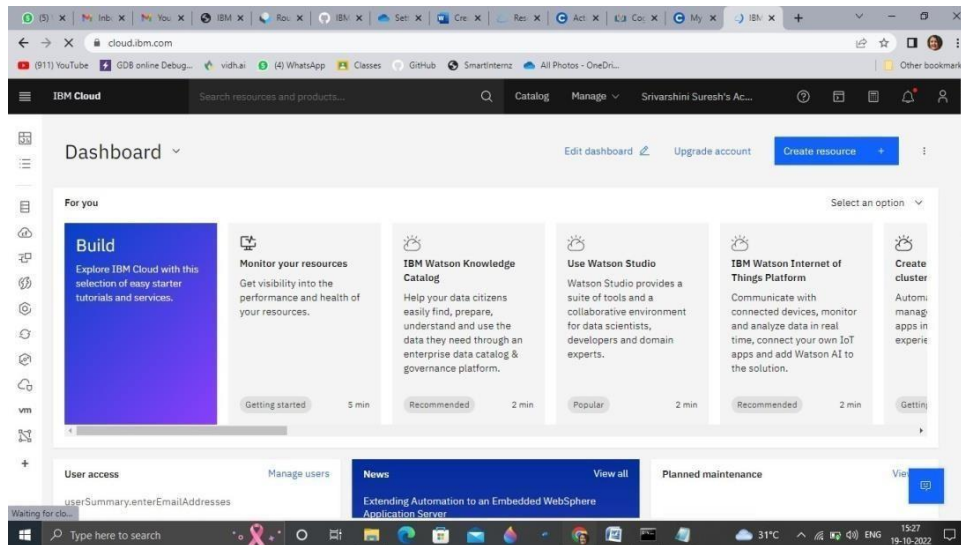

The first screenshot shows the '1. Account information' step of the IBM SkillsBuild Software Downloads registration process. The user is prompted to enter their email, first name, last name, password, and country. The email field is filled with '913119104106@smarterintez.com'. The first name is 'Sivashini' and the last name is 'Suresh'. The password field is filled with a masked password. The country is set to 'India'. There is an 'AutoFill with LinkedIn' button.

The second screenshot shows the '3. Verify email' step. The user is prompted to enter a 7-digit verification code. The code field is filled with '4703028'. There is a 'Resend code' link. Below the code field, there is a checkbox for 'IBM may use my contact data to keep me informed of products, services and offerings:' which is checked. A note states: 'You can withdraw your marketing consent at any time by submitting an [opt-out request](#). Also you may unsubscribe from receiving marketing emails by clicking the unsubscribe link in each email. More information on our processes can be found in the [IBM Privacy](#)'.

Step 2: Now goto cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

The screenshot shows the IBM Cloud login page. The user is prompted to enter their IBM ID and password. The IBM ID field is filled with 'username@example.com'. There is a 'Continue' button and a 'Forgot ID?' link. A 'Remember ID' checkbox is also present.

Output :

Cloud account created successfully.
